3. What Cookies and Similar Technologies Are

Cookies are small files stored on or accessed from your device. Similar technologies include local storage, pixels, tags, scripts and device identifiers. Their legal treatment depends on their function, rather than their name alone.

4. Categories

Category	Purpose	Default / control
Strictly necessary	Security, network management, consent storage and functions requested by the user.	Active only where legally exempt; not switchable through the preference centre.
Functional	Remember optional choices or provide enhanced features.	Off until consent unless a documented legal exception applies.
Analytics	Understand Website use and performance.	Off until consent unless a specific legal exception is validly relied on.
Marketing	Measure campaigns or personalise marketing.	Off until consent. Advertising and cross-site tracking require consent.

5. How Consent Works

The cookie controls identify the optional categories and record your affirmative selection. Ferex Group applies and retains your preference. Technologies operating without consent are limited to functions covered by an applicable statutory exception.

6. Website Technology Inventory

The Website keeps consent-requiring technologies inactive until the relevant choice is recorded. The inventory below identifies the technologies deployed on the Website and their operating details.

Exact name	Provider / host	Purpose	Duration / status
ferex-cookie-consent-v2 — a browser storage entry	Ferex Group website	Remembers that you accepted this notice, so it can stay hidden on later visits.	Stored in localStorage until you clear this website's data. No automatic expiry is set; choices for an older policy version are no longer honored.
Website session / security technologies	Ferex Group / hosting infrastructure	Website security, delivery and functions requested by the user	Session or as technically required
No analytics or marketing technology is listed at publication	Not applicable	Not applicable	Inactive; additions are assessed and disclosed in the current inventory
Google Maps embedded map	Google Maps (maps.google.com)	Display Ferex Group office locations	Loaded only after Functional Cookies are enabled. The browser may defer the iframe request until it nears the viewport. Any Google storage duration may vary and is controlled by Google.

7. Embedded and Third-Party Content

Videos, social-media functions, chat tools, externally hosted fonts and other embedded services can store or access device information. Ferex Group applies consent controls where required or loads a service after an

informed request. The Website's Google Maps section displays office locations. Google's privacy terms govern its processing of information.

8. Browser Controls

Most browsers allow you to review, block or delete stored information. Browser controls operate separately from our preference center and may affect Website functionality. Consult your browser provider for details.

9. Changes and Contact

We may update this Notice when the Website, technologies or legal obligations change. The current version will show its publication or update date. Questions may be sent to info@ferexgroup.com or to our registered office, marked for the attention of the Privacy Contact.
